ABOUT LINA VARON

Practical, approachable legal guidance with an international perspective.

Lina brings a diverse background and a genuine passion for law to her professional practice. Born in La Tebaida, Quindío, Colombia, her international journey has shaped a practical and approachable legal perspective.

Her interest in criminal investigation began at Politécnico Central Colombia. She later completed her law degree at the University of La Rioja, Spain.

Lina has also advised international clients while working for an authorised legal consultancy in Dubai, United Arab Emirates, strengthening her knowledge of cross-border legal matters.
